

The logo, a combination of 2 whisks that make the shape of a heart explains a lot about the brand's essence. Every ingredient is selected, whisked, baked with love. The idea behind the logo was to bring to life, the amount of passion and _ that goes behind even a single item that is displayed on the menu. Nothing beats the simple pleasure of indulging in irresistible dessert. The cakes and breads are made with love and care, using the finest chocolate, butter, cream, and fruit. Handcrafted and delicious delights that make any occasion memorable.

A stylized logo featuring a copper-colored whisk. The head of the whisk is positioned to the left of the word "whisk", which is written in a white, elegant cursive script. The handle of the whisk extends from the left, passing behind the word.
